Mr. Parigi

Bonn, 6 June, 2018

## Recommendation Letter

Dear Mr. Parigi,

I am writing to recommend the services of LISKI, producer of sport equipment, to you. During the past years the International Paralympic Committee (IPC) has been working with LISKI on numerous different projects. LISKI has become the Exclusive Official Supplier of World Para Alpine Skiing and World Para Nordic Skiing.

The company offers high quality materials and good collaboration on projects. We have been overall very satisfied with their work.

Examples of events where LISKI provided supplies such as banners, start gates, gate panels, and bibs are: The Paralympic Winter Games in Torino 2006, Vancouver 2010, Sochi 2014 and PyeongChang 2018, the Tarvisio 2017 World Para Alpine Skiing Championships, the World Para Alpine Skiing World Cup Finals in Kimberley 2018, and many others.

LISKI offers complete sport supply packages for carrying out national as well as international competitions. Furthermore, LISKI also develops new customised products that are specific for certain events. Overall, LISKI helps to improve the overall look of the event.

I am confident LISKI can continue to deliver good services and, therefore, I recommend LISKI for your company's sport event supply needs.

Please don't hesitate to contact me should you have any further questions or concerns regarding LISKI's services.

Kind regards,

Alexis Schäfer

Commercial & Marketing Director  
International Paralympic Committee
